

SANGO Junior – 19 September 2023

Participation: Step-by-Step

NB: Learners must be in Grade 8 or 9

Teachers from schools participating for the first time *must* submit an **Expression of Interest** here: <https://sango.org.za>

If you have an existing Olympus teacher profile, log in here: <https://app.olympus.org.za>

Teacher receives email with **Olympus log-on details**

- Log in to **Update** school details (password, address, tel, emails, VAT # etc)
AND
- **Generate** own invoice for *n*-Number of participating learners

Teacher downloads **invoice** for *n*-students from system
(cost is R70/school + R50/learner)

School must **pay invoice** by **15 September 2023**

Teacher is emailed receipt within 48h
AND
Instructions for learner registration

Set up exam conditions for 2 hour Olympiad, for any time between 7am-5pm on **19 September 2023**, in school's invigilated computer lab or supervised at home.

On **19 September 2023** at 6am school & teacher are emailed '**Olympiad Link**' & **learners password**

Teacher logs on and **registers Learners List:** Names & ID#s & emails (limited to number paid)

Select if learners are participating **from home or at school**

NB: Only learners on pre-registered 'Learner List' will be able to log on & complete the Olympiad

Students log on, enter their details, complete & submit the online MCQ Olympiad

SANGO 2023 results will be finalised 6-8 weeks after completion.
All learners and their schools will be **emailed PDF certificates**

NB: the online Olympiad runs best on the updated version of the following browsers: **Chrome, Firefox, Edge**. Internet Explorer is no longer supported. Please check with your IT administrator.
